

**From her brothers and sisters at
Tumaini Children's Home**

Our sister Faith was a very determined and hard working girl. In school, she was determined to excel in order to achieve her dream of becoming a nurse. Her role model was our matron (mummy Mary) who really inspired her and she was determined to complete her education, get her nursing degree and come back to TCH and work as a matron. Faith had a kind and loving nature which endeared her to all at TCH. She was a friend to all and especially the little children who she would play with and look after as an elder sister.

As her brothers and sisters, we really loved her and were saddened by the fact that lately she had become sickly, and our beloved mothers really took good care of her.

We would have loved to be with her forever but being nature, she had to leave us eventually.

May her soul rest in peace.
From all your brothers and
sisters at TCH
AMEN!
