7th February, 2021

ACADEMIC REPORT – Compiled by Kenneth Ochieng Dan Machabe.

Following the abrupt closure of schools across the country due to global pandemic, COVID 19, we resorted to online learning using the available and newly acquired electronic devices, which helped us to access learning materials and attended online classes with their teachers.

Learning groupings were organized in the upper TV hall. Groupings were done according to their grades/classes. They were as follows: Pre-primary, Grade 1-4, Class 5-6, Class 8 (2021 candidates).

We have three pupils who are learning at MM SHAH in class 7; P N, E M & F W. They were provided with an IPAD by the school for their online classes.

For the class eight candidates, M W and J N, and the high school student, S Z, were using the home laptops for their online classes and assignments. Other grades were attended to physically.

After the official confirmation by the government of Kenya that the schools are in a position to reopen, we secured them learning places at P.C.E.A Bamburi Academy for the primary pupils where they were admitted after doing their entry exams. Their class/grade distribution is as listed above. All the students are very happy at this new school and feel better care has been provided to them.

Their term 2 welcome assessment will be released by the school examination department on 9th February, 2021 thereafter will be discussed with the parents/guardians.

High School - The following pupils are in **high school**, 2021.

1. B W who is in her final year and is currently preparing for her final exams scheduled to begin in March, 2021 at Chief Mbogori Girls.
2. A W also reported back to school in form 3 at Bishop Delany School
3. J K who is in form 1 has reported back for the 2nd term at Rurigi Secondary
4. S Z is in form 2 at Hassan Joho Girls High School.
5. P N is in form 2 at Makueni Boys High School.
6. D O is in form 1 at Salvation Army School for Visually Impaired.

Special needs pupils include the following:

1. C M
2. G O
3. E K.

All are in grade 2 at Kids Star Academy Bamburi-Kiembeni.

Vocational Students

A M has resumed at Kisauni Polytechnic and will be undertaking his exams for which we have paid the fees.

F L J is at Taita and has opted to be a Early Childhood Teacher. We have paid for her 1st semester – January to March, 2021.

University Student

T W is at GRE TSA University at Thika town. His Registration, Joining, 1st and 2nd Semester fees has been paid by Tumaini. He has also been presented with a Laptop which was delivered to him by hand.

Financing Education and providing the educational needs including uniforms, shoes books are provided for from:

1. Stoddart Educational Endowment Fund for all Pre-Primary and Primary Children.
2. Tumaini-Waisenhaus Förderverein, Germany for Special Schools, High Schools, Vocational Training and University Education.

NB: All the academic reports will be compiled by the end of the term / semester.
